

RBC Business Lending

Powered by RBC Bank and US Bank

Lending options for your business can make the difference between growing and taking advantage of market opportunities or maintaining current status. We can work with you to help you find financing options for your business whether it's for working capital, equipment purchases, leasing or small business financing.

At RBC Wealth Management, we understand that the best way to provide financing for your business, is the way that meets both your individualized financing needs and your personal and business investment goals. We can help you meet a number of business needs including:

- Start-up financing
- Business acquisitions
- Equipment and inventory purchases
- Working capital lines

Loan sizes available range from \$250,000 to more than \$50 million, depending on qualifications. To get the most appropriate solution for your overall financial welfare, we invite you to take advantage of the services provided by our referral partners, RBC Bank and US Bank.

ABOUT RBC BANK

RBC Bank delivers a wide range of personal, business, and commercial banking services. Owned by the Royal Bank of Canada (RBC), the fourth largest bank in North America and part of the RBC companies in the United States — which includes RBC Wealth Management — RBC Bank operates more than 440 banking centers in six southeastern states. For additional information about the company visit the website at www.rbcbank.com.

ABOUT US BANK

US Bank specializes in providing small business administration loans typically for businesses with revenue ranging from \$1-2 million, nationally. In addition, US Bank can provide creative business leasing options.

EXCEPTIONAL SERVICE

Our referral partners will work with you to understand your financing goals and will then navigate the financing market on your behalf.

Once you have chosen the financing solution that best suits you, our referral partners will lead you through the loan origination process to ensure your transaction is seamless.
